Retraction Note: Associations of systemic oxygen consumption with age and body temperature under general anesthesia: retrospective cohort study

Satoshi Kimura^{1*}, Kazuyoshi Shimizu¹ and Hiroshi Morimatsu¹

Retraction Note: BMC Anesthesiology (2023) 23:216

<https://doi.org/10.1186/s12871-023-02182-1>

The authors have retracted this article. After publication the authors realised that there was an error in the unit of oxygen consumption, the unit was listed as ml/kg/min, instead of 10–1 ml/kg/min. As this error affects all of the results and conclusions presented, the authors decided to retract the article. All authors agree to this retraction.

Published online: 31 October 2023
